EDUCATION

Bachelor Of Technology
R.D Engineering College (Affilated to DR. A.P.J Abdul Kalam Technical University)

05/2019 - 06/2023   *percentage -91.6%*

Intermediate School(CBSE)
S.S.K Public School

2018 - 2019   *percentage-90.6%*

High School(CBSE)
S.S.K Public School

2016 - 2017   *10 CGPA*

SKILLS

C C++ Java SQL React-native Android Development OOPS HTML CSS JavaScript Bootstrap GIT GITHUB

ACHIEVEMENTS

5 Star in C++ Programmimg Language. ⬈
Complete Basics and Intermediate level of concepts of C++ programming language and earned 5 stars.

500+ Coding scores on GFG in Problem Solving.
Solved 300+ DSA Problems on GFG and scored 500+ points in problem solving,

Java Basics Certification, HackerRank ⬈
Compelete Basics of java and earned certificate on Hackerank.

JavaScript Basics Certification, HackerRank ⬈
Compelete Basics of javascript and earned certificate on Hackerank.

PERSONAL PROJECTS

walpyCanvas App
- A android wallpaper app with extensive Wallpaper Collection.
- Options for setting wallpapers for Home screen.Ability to set wallpapers for different types of image styles(technolgy,arts,crafts,cartoons etc). Integration with system settings to provide a seamless wallpaper changing experience.

Coder Hub
- A responsive coding blog which contains articles about various technologies like web technology,andriod development and AI and many more using HTML,CSS and Bootstrap.
